Darlene works with me. She is incredibly sweet, gentle, and goes beyond my expectations to make sure I'm comfortable. (after changing my wires she asked me to rub my tongue along my braces to make sure nothing stuck out or poked me!) :) Anastasiya S.

you really run your business as a professional business and I appreciate that. My flow through your office is very efficient and gets me back to work quickly. John M.

I would like to recognize the front desk person. she's always smiling and helpful. I was never afraid to ask any question regarding my child's concerns and whenever i ask questions she always give me a straight answer. Florence J. (parent)

The whole staff.....always so happy!! Angie S.(parent)

everyone was very nice and made me feel comfortable through out all of my visits, thanks for making me want to smile again Tabatha A.

The entire staff is outstanding!!! Linda Hornsby

I dont recall names of all the people who work in your office, but I think they should all get an all expenses paid vacation to Hawaii William D. (parent)

Not one in particular but the staff has been wonderful, professional and friendly. Geraldine C. (parent)

Nicole (front desk) is always friendly, her interactions with each patient/family member is warm and she's very on top of things when we need to schedule appointments. Grace O. (parent)

Each person in the office has been so accommodating to my special needs. Kris G.

A big WooHoo to you and your staff! I am very impressed! Everyone has been simply fabulous!
